

School Song

Deep in the valley, by the swift flowing

Thimphu Chu

Stands Little Dragon --- the school we all love,

Nestling with wonders and beauties of nature.

Crowned by the sides of the snow high above.

Hold, high its name and fame.

Keep the bright torch of flame.

Truly dedicated to the Tsa-Wa-Sum.

When near or far away.

Whether at work or play.

We'll proudly uphold and honour to you.

Then give a----- SHOUT----- Hurrah!!!

No matter, who you are.

All children gathered at Kawajangsa.

Let all your heart --- Rejoice ---- and Sing

With Happy Voice -----

LONG LIVE LITTLE DRAGON

THE SCHOOL WE ALL LOVE.
